Anwar Orozco

Senior QA Engineer

Chihuahua, Mexico amot.anly@gmail.com

8+ years and 18+ projects in software testing. I build test automation with Playwright and Karate, test Salesforce platforms and lead QA teams in Agile environments.

SKILLS

Playwright · Karate · AI workflow · AI automation · Claude Code · TypeScript · JavaScript · Postman · API testing · SQL · Salesforce · Magento · Jira · BDD · Test planning · Manual testing · V&V · Agile · Scrum

EXPERIENCE

Senior QA Engineer, Playwright Automation · Concentrix Catalyst — Feb 2025 – May 2026

Built a Playwright + TypeScript automation framework from scratch, including custom API verification tools.

Senior QA Engineer, Salesforce · Concentrix Catalyst — Nov 2023 – Feb 2025

Manual test + test plans and Karate automation for enterprise Salesforce releases. API validation with Postman.

Senior QA Engineer · Concentrix Catalyst (formerly PK) — Oct 2019 – Nov 2023

Led a 10-person QA team across 5 projects (12 in total). Test planning, code audits, SQL and API validation.

Junior QA / Tester · Gamma Partners — Feb 2018 – Oct 2019

Manual testing, verification & validation and code audits across 3 projects.
